

MANUFACTURER'S CERTIFICATION STATEMENT

International Insulation Products, LLC Certification Statement

(Credit for Nonbusiness Energy Efficiency Improvements)

International, Insulation Products, LLC certifies that the following reflective insulation product(s) is/are specifically and primarily designed to reduce heat loss or gain of a dwelling unit when installed in or on the dwelling unit; and are considered insulation materials that meet the definition of "Eligible Building Envelope Components" for federal or state tax credits, when available. Please consult your personal tax advisor or contractor about potential federal or state insulation tax credits.

Solar Eclipse Reflective Insulation is a Class-1 Class-A, fire rated product according to ASTM Test #E84-10. Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct and complete.
